15:00 - 15:30	Exercise in Small groups
15:30 - 16:00	How to interpret a tococardiogram

A stylized, light green outline of a human figure from the neck down to the legs. In the center of the chest area, there is a bright yellow sun with many thin rays. Above the sun, there are several curved, flame-like or petal-like shapes in shades of yellow and orange. The entire graphic is set against a light blue background with a subtle gradient.

## Scientific Program

Day One - Wednesday 26 <sup>Th</sup> October			
Registration: 08:00 - 18:00			
Hall A			
First Session: 10:30 – 15:05			
Moderators: Mahabad Ali, Fadi Mirza, Antoine Abu Musa, Mazen El Zebdeh
