# WELCOME FROM The President

Dear Colleagues and Friends,

It is our great pleasure to invite you to participate and to contribute to the success of the the 5th International conference of Kurdistan-Iraq Society of obstetricians and Gynecologists (KISOG) which will be take place at Divan Hotel , Erbil October 12 – 14, 2022 .

Our ambition is for this meeting to be as successful as previous conferences if not more. The scientific program is rich and covers most of the topics in obstetrics and gynecology, , including Maternal medicine , fetal health , Oncology , reproductive endocrinology, minimum invasive surgery and Urogynecology and infertility .

2022 KISOG will invite far-famed leaders in the field of gynecology and obstetrics to review advances, breakthroughs, and controversies in the field. They will present up to date topics in entire sessions , keynot lectures , workshops , symposiums ; to satisfy your scientific and educational interest.

KISOG 2022 carry a theme in title :

**“ current outlook for future progress “**

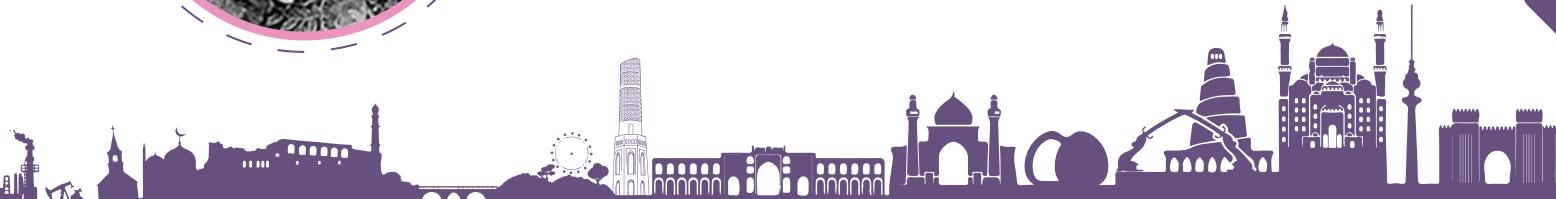

To look at what we reach over previous years in our field, to be a base ( a vision ) to. co-create a new dimension in obstetrics and gynecology from diverse perspective to progress toward the future together .

We look forward for your participation in the congress and for the opportunity to exchange medical knowledge and ideas.

**Mahabad Saber Ali**

*President of Conference*

# WELCOME FROM President of the Society

On behalf of the Executive & scientific Committee, it's our privilege and great honor to welcome you to

## the 5th Kurdistan-Iraq society of Obstetrics and Gynecology conference.

This gathering will provide an opportunity to share new experiences, and exchange information and to updated knowledge on the latest Obstetricians and Gynecologists issues.

We anticipate stimulating and interactive discussions throughout the program with lectures, cases presentation , workshops and special sessions .

Wishing you a wonderful conference and enjoyable time.

**Prof. Ariana Khalis Jawad**

*President of the Society and Chair of Scientific Committee*

# Workshop

# Rule of the Nurses in Maternity Hospitals Workshop

**Ms. Sara Morales Gil**

**Registration desk will open at 9:00 AM**

## **Clinical Nurse Specialist (CNS) outpatient setting**

- ◆ Colposcopy - diagnostic / treatment.Vulval
- ◆ Urogynaecology (urodynamics, pessary)
- ◆ Oncology (PMB) + development for nurse hysteroscopist
- ◆ Endometriosis (Zoladex).
- ◆ Pre-assessment

## **Management Role (senior gynecology nurse)**

- ◆ Staffing (allocation, A/L, sickness management)
- ◆ Budget Audits (information governance) Complaints Meetings Rule of the Nurses in Maternity Hospital Workshop

## **Early pregnancy unit and gynae emergency unit (EGU/EPU)**

- ◆ Early scan
- ◆ Gynae
- ◆ Emergency
- ◆ Assessment
- ◆ Minor
- ◆ Procedures
- ◆ Counselling
- ◆ Nurse led discharge

## **Staff nurse role (ward setting)**

- ◆ Medication (PCA, Epidural, syringe driver)Drains
- ◆ Wound management
- ◆ Stoma/catheter
- ◆ care Nurse led discharge

# Urogynecology & Urodynamic Workshop

**Dr. Ayman ALqatawneh**

**Registration desk will open at 8:00 AM**

## ◆ **Pelvic Floor Anatomy & Physiology**

Understanding pelvic dysfunction.

Types of female urinary incontinence: Medical and surgical therapies

Understanding pelvic dysfunction.

Types of female urinary incontinence:

Medical and surgical therapies

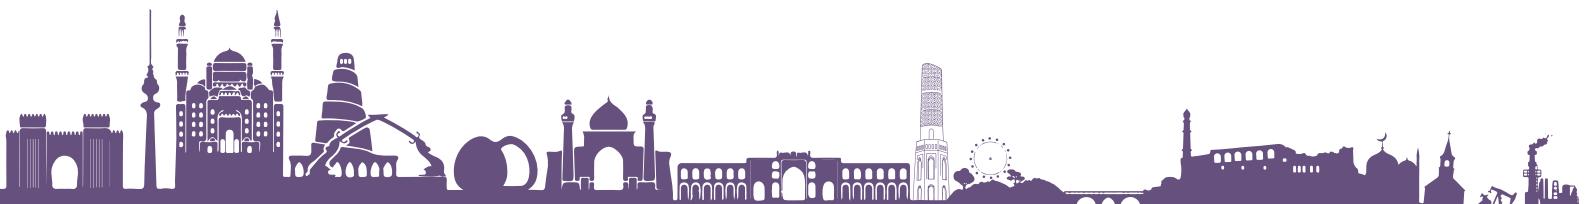

## ◆ **When Do we need Urodynamic assessment ?**

Video presentation and case discussion

## ◆ **What We Do For Patient With Mixed Incontinence ?**

What is the ideal treatment of anterior & posterior wall prolapse

video presentation and interactive discussion
