# welcome note

On behalf of the Executive committee; it's our pleasure and honor to invite you to the 5TH International conference of Kurdistan-Iraq Society of obstetricians and Gynecologists (KISOG) which will take place in Erbil/Kurdistan - region , Iraqi. During October 12 – 14, 2022

KISOG will invite far-famed leaders in the field of gynecology and obstetrics to review advances, breakthroughs, and controversies in the field. The scientific program includes a wide range of educational and scientific sessions covering a chain of topics .  
The theme we have chosen for the 5th KISOG 2022 conference this year :

## “ current outlook for future progress “

To look at what we reach over previous years in our field, to be a base ( a vision ) to co-create a new dimension in obstetrics and gynecology from diverse perspective to progress toward the future together .

Take the time to connect and reconnect with colleagues so we can all learn from each other. We wish you a wonderful conference and enjoyable time.

This great event will surely provide new perceptions and possibilities for new lasting collaborations for all attendees.

Executive Committee
